

CLARITAS

Soap dispenser with extra large inspection window

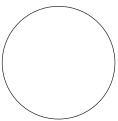

The CLARITAS is a practical wall mounted soap dispenser suitable for all hand washing environments. This dispenser has a 1 litre capacity and is available in both cartridge and direct fill versions. Built for service, the CLARITAS features an extra large inspection window for easy soap level verification and it is robust and reliable.

The CLARITAS commercial soap dispenser can be used with a broad range of consumables from regular, cosmetic and anti-bacterial soaps to sanitising gel and conditioning after work cream.

Finishes available

Classic White

Benefits

Reliability & Durability

- > Straightforward design and use of highly durable material
- > Non-drip patented pump mechanism
- > Angled top of dispenser to prevent cigarette burn damage
- > Locking system to deter theft and guarantee content integrity

Ease of Service

- > Unique extra large inspection cover shows when a refill is required
- > Hinged cover for operator convenience and speed of service

- > One security key for the whole Kennedy range

Maximum Hygiene

- > Each cartridge comes with its own nozzle ensuring germ/blockage-free replacement
- > Soap has no contact with the unit and comes directly from nozzle to hand
- > Patented one-way valve prevents soap and bacteria from returning to the cartridge

End user Satisfaction

- > Range of versatile soap lotions suitable for various environments
- > Push or pull operation options
