

Mini Seatsan

Toilet seat sanitizing foam dispenser 300 ml

Range

Sanitizers

Product Code

TSS SSN 300

The Mini Seatsan is an elegant and compact sanitizing foam dispenser. It is particularly suitable for high traffic hospitality washroom areas, large offices and other business environments. Robust, service friendly and highly hygienic, the Mini Seatsan is available with a 300 ml toilet seat sanitizing foam.

The ultra-economical foam uses 30% less consumable than a comparable fluid sanitizer and is effective against bacteria found on toilet seats. The unit's error-proof refill loading system makes for easy service, while flash-drying and smooth dispensing aid the end user. The 300 ml dispenser is available in Kennedy's Arctic white color.

Finishes available

- Arctic White

Benefits

Maximum hygiene

- The sanitizing foam has no contact with the unit and comes directly from nozzle to paper
- Bactericide is effective against Escherichia coli, Staphylococcus aureus, Pseudomonas aeruginosa and Enterococcus hirae
- Airless cartridge with patented dual valve pump

End user satisfaction

- Smooth dispensing foam alleviates irritating mis-sprays
- Flash drying enables immediate toilet use

Ease of service

- Error-proof foam refill loading feature
- Easy to install and maintain
- Easy to operate, push cover to accurately dose the consumable
- No sharp angles, easy to clean
- Economical, 0.4 ml foam dose
- Recyclable cartridge and recyclable reusable pump

Reliability & durability

- Straightforward design and use of highly durable ABS material
- Non-drip patented pump mechanism
- Secure locking system to deter theft and guarantee content integrity
- Easy cover opening, using the standard Kennedy key
